

# Changing Names:

Starting off on the CM home screen, click on SETTINGS on the to right.

[image.png](#)

From this we shift focus to the left side of the screen to click on CONTENT MANAGER

[image.png](#)

In the tree on the LEFT SIDE, click on DRIVE

[image.png](#)

Player name is editable on the right side of the screen.

[image.png](#)

From here you can also change the flag / nationality you represent online.
